Lenten Sacrifice

Help children choose age appropriate Lenten sacrifices this year. Choosing something too easy, for example, and the penitential nature of the season gets lost. Too difficult a sacrifice may discourage youngsters causing them to quit partway. The idea is to give up something a child like, will notice is gone, and will appreciate offering it to Jesus.

Knights of Columbus Benefit Breakfast

I want to extend my gratitude for all of you who contributed to the success of the K of C Benefit Breakfast last Sunday. I especially want to thank my staff/faculty, the HCCS Advisory Board, and the Knights of Columbus. Thanks also goes to our parents who sold/bought tickets for this event. God Bless you for your generosity.

Repent Sin

Unless we make changes, we are bound to repeat the same sins over and over again. Help your child to identify a couple of temptations that continuously turn her away from God. Brainstorm ways she can resist them. Arming ourselves ahead of time makes us stronger in the face of temptation.

Why Do Catholics Do That?

In Genesis 2:3, God finished creating the world and rested on the 7th day. In recognition of the necessity for us to rest, too, God set aside the 7th day (Exodus 20:8-11) and made it a Commandment-a law we are to follow. After Christ's resurrection, Christians designated Sunday as the Sabbath both in honor of God's day of rest and Christ's Resurrection. Catholics are to keep it holy by attending Mass, resting, and refraining from unnecessary work.
