PARISHIONER/PARENT SURVEY

The Office of Catholic Schools is embarking on a new strategic plan for the schools in the Archdiocese of Santa Fe. Over the next few months we will be gathering information from the many stakeholders across the Archdiocese in order to plan for the future. The information will be gathered through pastor surveys, parishioner surveys, Catholic school parent surveys, individual interviews and focus group meetings. This project is being conducted with the support and guidance of Archbishop Wester. I ask that all of you complete the survey, regardless of whether there is a Catholic School in your area, by accessing the link below. I appreciate your time and attention to this very important planning process.
