Fundraising Info

Arts & Crafts Fundraiser March 10, 2024

Our Saturday fundraiser in Marian Hall was a success thanks to all of you attending and the vendors who participated. We would like to thank all those who took part in our fundraiser who the time out of their day to help our school raise the needed funds to keep us going. Fundraisers like this will now unfortunately be a part of Holy Cross Catholic School because we are not getting the needed funding from our declining student enrollment. Mr. Arriola, school principal has been trying many different things in order to bring about the needed change to increase enrollment at Holy Cross and advertisement for Holy Cross.

Therefore, we need your help in our fundraising efforts to bring about the necessary funding to help sustain the school and their staff for the upcoming school year 2024-25. Holy Cross Catholic School has been in Santa Cruz educating hundreds of students who are now adults and have families of their own. Mr. Arriola is bringing about the changes needed to the school in the areas of better curriculum, science and math programs. All this requires money and funding that we do not have.

We are now asking for your help and to give generously to help keep our school going for another 75 years. Below are some upcoming fundraisers that might interest you. Thank you and God bless you in helping in our fundraising efforts.

Sincerely,

John Arriola

Principal

Holy Cross Catholic School
